INSIDE EVERY LESSON PLAN

- The specific learning outcomes, key inquiry question, core competencies, values and PCIs, and the resources needed.
- A timed lesson flow: what the teacher does and what the learners do, from introduction to summary.
- The key content (a worked example, notes or a practical with its expected results), then four practice questions with the answers for the teacher.
- The common mistake to watch for, and ideas for learners who need support and for those ready for more.
- A four-level CBC assessment rubric (EE, ME, AE, BE), homework, and a blank reflection space to fill in after teaching.

A TASTE OF LESSON 1

Sole proprietorship: meaning, features and examples

By the end of the lesson, the learner should be able to: a) define a sole proprietorship; b) state its main features and give local examples

Sole proprietorship

A sole proprietorship is a business owned, controlled and usually managed by one person. The owner is the sole proprietor and the business and the owner are treated as one in law.

You also receive this pack as an editable Word file, so you can change any lesson to suit your class before you print it. Lessons follow the order of the KICD curriculum design.
