What a glove puppet is

By the end of the lesson, the learner should be able to: a) describe the features of a glove puppet; b) explain how a glove puppet is operated by hand

What a glove puppet is

A glove puppet is a soft puppet worn over the hand like a glove, usually with the thumb and fingers moving the puppet's head and "arms" or mouth.

It usually has a simple head and body, with an open space at the bottom for the performer's hand to fit inside.
